## STYLE, SECURITY, & RELIABILITY

**Slim, Metal Body:** built from aluminum metal, yet weighs less than 1.4kg/3.09lbs. and is 15.9mm thin with a mineral gray finish

**Infinity Screen:** close to 80% screen-to-body ratio means the body is smaller, not the screen

**Immersive Audio and Video:** HARMAN branded speakers with Dolby® Audio™ for better sound clarity. Full-HD IPS panel with 300nit brightness and Dolby® Vision™ for rich, vivid visuals.

**Default Discrete TPM 2.0:** enables Windows 10 security features and encrypts user data

**Camera Shutter:** allows full control over camera and privacy

**Anti-spill Design:** withstands up to 60cc of liquid on the keyboard

**Higher Durability:** lay-flat hinge design allows free exit of heated air which extends reliability and zinc coating makes the hinge last longer

## INSTANTANEOUS RESPONSE

**Latest OS & Processor:** Windows 10 Pro 64-bit on 8<sup>th</sup> Generation Intel® Core™ i7 Processor means the hardware is performing to its maximum capability

**Standard SSD:** up to 18x times responsiveness of an HDD\*

**Modern Standby\*\*:** allows listening to music while in standby mode; resumes in less than 0.5 sec and allows instant email updates after resuming

**Smart Power On:** login with fingerprint and unlock in one step, just like a smartphone

**Skype Hot Keys:** one key to answer, one to hang up, eliminates searching for on-screen buttons

**Skype-certified Mics:** near-field voice recognition allows effective interaction with Microsoft Cortana

**Powerful Graphics:** AMD Radeon™ 540X with 2GB GDDR5 VRAM or Integrated Intel® UHD 620 with UMA memory for an immersive visual experience

\*under standard laboratory test environment.  
\*\*Modern Standby is available on configurations with Intel Integrated graphics (UMA).

## UNCOMPROMISED SUPPORT

**Think Service & Support:** automatic access to business-grade expertise and repair, for up to 30% faster SLAs, greater satisfaction, and lower downtime

**Longer Warranty:** up to 1-year base and up to 5 years total, depending on the model and country of purchase

**Onsite Next Business Day Support:** easily upgrade to NBD with extended warranties, exclusive to Think products

**Accidental Damage Protection (ADP):** protect yourself from the replacement costs of broken screens and liquid damage

**Premier Support Option:** focus on business, not IT, and benefit from the best SLAs, real technicians, and expertise

**International Coverage:** warranty support where the particular ThinkBook S model is sold and serviced, consistent service levels.

**Expedited Depot Service:** Upgrade to this service to ensure minimum downtime with a faster turnaround on all covered repairs.

## RECOMMENDED ACCESSORIES

### THINKBOOK PROFESSIONAL 15.6-INCH BACKPACK 4X40V26080

This backpack with a modern design carries and protects your ThinkBook, while premium, lightweight materials withstand everyday wear and tear. It also has a separate padded pocket for an additional smaller device.

### THINKBOOK WIRELESS MOUSE AVAILABLE JUNE 2019

With dedicated volume control side buttons, on the fly DPI adjustment, and an ergonomic design, the ThinkBook Mouse is built for productivity. Also built in are six separate control buttons, a 2-level scroll wheel, and room for 1AA battery which can power your mouse for one year.

### LENOVO 65W DC TRAVEL ADAPTER OB47481

This travel adapter is ideal for the ThinkBook 13s. It connects to 12V DC power for vehicle use and 15V DC power for airplane use. It is energy efficient and provides a constant power output of 65W.

## BUILT FOR BUSINESS. DESIGNED FOR YOU.

### PERFORMANCE

#### Processor

8<sup>th</sup> Generation WHL platform,  
up to Intel® Core™ i7 Processor

#### Operating System

Windows 10 Pro (64 bit)

#### Memory

4/8/16GB DDR4

#### Graphics

Integrated Intel® UHD 620 graphics  
on Unified Memory Architecture (UMA)

## SERVICES AND SUPPORT: ALL-ROUND CARE FOR YOUR THINKBOOK

Lenovo offers a comprehensive, commercial  
grade coverage that goes beyond a simple warranty.

### FLEXIBLE WARRANTY EXTENSIONS AND UPGRADES

ThinkBook devices are covered with 1-year base  
warranty and can be upgraded for a period of up to  
five years to extend the value of your investment.

### ONE-CALL ACCESS TO PROFESSIONAL HELP

Premier Support service is an enhanced warranty  
plan that provides 24x7 direct access to the right  
level of tech support on the first call, on priority.

### INTERNATIONAL COVERAGE POLICY

In case of any critical repair while traveling  
internationally, consistent support is available  
in the local language in over 30 countries worldwide.

### DEVICE MAINTENANCE AND REPAIR

Get flexible and 30% faster response with Lenovo  
commercial services.

- Onsite Next Business Day Response (NBD)  
and Technician Installed Customer Replaceable  
Unit (CRU): a skilled technician is dispatched  
for immediate resolution.
- Expedited Depot Service: In case of an  
unresolved issue with use of a CRU, the product  
will be repaired at a designated service center  
with expedited turnaround time.

### COVERED FOR UNCERTAINTIES

Accidental Damage Protection (ADP) provides  
coverage for non-warranted damage incurred under  
normal operating conditions, such as minor spills,  
drops, or damage to the integrated screen.

\*Based on testing with MobileMark 2014. Battery life varies significantly with settings, usage, and other factors  
\*\*Optional.
