

# YOGA C940 (14" & 15.6")

## PERFORMANCE TO AMPLIFY YOURS

Meet the Lenovo™ Yoga™ C940. Every component of this powerhouse 2-in-1 is engineered with your experience in mind. Offering the smarter performance of up to 10<sup>th</sup> Generation Intel® Core™ i7 processing, the Yoga C940 features innovative features built directly into a sleek metal chassis, up to a 4K VESA certified DisplayHDR™ and more. This versatile 2-in-1 delivers power that will amplify yours.

### WHY YOU SHOULD BUY THE LENOVO YOGA C940 (14")

#### Smarter performance

Lenovo is expanding what's possible in a new class of Yoga laptops co-engineered with Intel® to think smarter with Artificial Intelligence. Enjoy a more intuitive, personalized experience with 10<sup>th</sup> Generation Intel® Core™ mobile processors that dynamically adjust performance and enable long-lasting battery life based on your needs. Speak to a voice assistant from across the room in sleep mode; automatically upscale video with Super Resolution\* on Windows Media Player, and more.

#### Immerse yourself

Enjoy vibrant color and clarity with up to a 4K VESA DisplayHDR™ 400 14" screen edged with razor thin bezels and optimized with up to 500 nits of brightness and Dolby Vision™\*. Combined with a Rotating Sound Bar with Dolby Atmos® for 3-dimensional audio in every mode, the Yoga C940 offers entertainment you can feel.

Lenovo™

#### Thoughtful design

Crafted from premium aluminum, the convertible Yoga C940 (14") blends world-class craftsmanship with purposeful design — featuring thoughtful details like a webcam privacy shutter, a garaged digital pen with charging, and a raised camera bump to ensure a better grip for opening the device.

#### Keep moving

Co-engineered with Intel® for advanced mobile performance, the Yoga C940 (14") will power through your day, combining sleek portability with up to 17.5 hours of battery life with FHD.

\* Expected to be available by end of 2019, availability varies by SKU and Geo.

# YOGA C940 (14" & 15.6")

## WHY YOU SHOULD BUY THE LENOVO YOGA C940 (15.6")

### Desktop-like performance on-the-go

9<sup>th</sup> Generation Intel® Core™ processors offer ultraresponsive performance and faster video and photo editing, with up to 5 GHz turbo, 8-Cores, and dynamic tuning that automatically adjusts performance for your needs. Opt to supercharge your workflow even more with new Intel® Optane™ Memory H10 with Solid State Storage, for best-in-class performance across a variety of tasks that matter to users.

### Thoughtful design

Crafted from premium aluminum, the convertible Yoga C940 (15.6") blends world-class craftsmanship with purposeful design — featuring thoughtful details like a webcam privacy shutter, a garaged digital pen with charging, and a raised camera bump to ensure a better grip for opening the device.

### More creating, less waiting

Boost your creativity and productivity with NVIDIA® GeForce® GTX 1650 discrete graphics. Dedicated GeForce® graphics accelerate your favorite apps for better performance and faster speed in video editing, graphic design, and streaming 4K entertainment.

### Immerse yourself

Enjoy vibrant color and clarity with up to a 4K VESA DisplayHDR™ 400 15.6" screen edged with razor thin bezels and optimized with up to 500 nits of brightness and Dolby Vision™\*. Combined with a Rotating Sound Bar with Dolby Atmos® for 3-dimensional audio in every mode, the Yoga C940 offers entertainment you can feel.

### PRELOADED SOFTWARE

- Lenovo Vantage
- Microsoft Office 2019
- McAfee LiveSafe™
- Dolby Vision™<sup>10</sup>

<sup>1</sup> All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details.

<sup>2</sup> Charge one hour in standby mode or while powered off, for up to 80% battery life based on test results using the MobileMark2014 ver. 1.5 battery life benchmark test. See <https://bapco.com/products/mobilemark-2014/> for additional details on testing standard. And also enable via Vantage update.

<sup>3</sup> Including camera bumper.

<sup>4</sup> Without camera bumper.

<sup>5</sup> Excluding hinge.

<sup>6</sup> Availability varies across regions, expected to be enabled by end of 2019.

<sup>7</sup> 14" model only.

<sup>8</sup> The actual transfer speed of the USB 3.1 Gen 2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 10 Gbit/s.

<sup>9</sup> The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

<sup>10</sup> Not enabled on HDR devices until end of 2019.

## LENOVO SERVICES

#### Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

#### Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

#### Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
