ULTRASLEEK CONVENIENCE

The ultraslim Lenovo™ Yoga™ S940 offers elevated design with no compromise, featuring premium entertainment and a range of smart features designed to make your life easier. Enjoy hands-free login, motion-sensing AI that anticipates your needs and more. Be demanding.

WHY YOU SHOULD BUY THE LENOVO YOGA S940

Elevated design

The Yoga S940 is the world's first laptop featuring Contour Glass that wraps around the display, for smoother edges that minimize the appearance of already miniscule bezels. Available in Iron Grey and carved from premium aluminum, this ultraslim measures a sleek 1.2 kg and 12.2 mm thin.

Work faster and smarter with AI

Lenovo Smart Assist anticipates your needs: Move content from your display to a monitor with a turn of your head; login with just a look; opt to blur your background during video calls; and more. Do less—we'll do the rest.

Lenovo™

Powerfully responsive

The ultraslim Yoga S940 makes no compromises, featuring Intel® Core™ processing and up to 15 hours of battery life*. You'll be able to multitask with ease, no matter where the day takes you.

Premium entertainment

Experience up to 4K clarity on a 14" HDR VESA® 400 display edged with razor-thin bezels and optimized with Dolby Vision. Combined with a Dolby Atmos® Speaker System, the Yoga S940 will bring your entertainment to life.
